## Welcome to the land of Moomin, Marimekko, Iittala and midnight sun!

Finland is an easy country to visit. If you love nature, being outdoors, great weather, fantastic people, foraging, forests, holidaying with friends, great food, few crowds, and beautiful scenery, then there are loads of things for you to do in Finland. You need to make visiting Finland in the summer 2019 a high priority. While traveling to the happiest country in the world, you are most welcome to participate in the greatest Taido event of the year!

The ETC2019 event will take place at Tampere, which is the most loved residential and tourism city in Finland. Friendly and casual Tampere is a large city by Finnish standards. With more than 200,000 inhabitants, Tampere has managed to keep the small town feel. The city is located on a scenic spot on a narrow isthmus between two lakes. BTW! Did you know, that world's only Moomin Museum is also located in Tampere! During your stay you have the possibility to take a magical journey into the fairy-tale world of the original Moomin illustrations by Tove Jansson.

The Taido ETC-event is expected to attract approximately 250 contestants, coaches, judges and participants from a total of ten countries. Seminars, shinsa and meetings of the WTF and EuTai will be held during the competition week. The actual ETC and International Taido Games will be held Friday and Saturday 2-3 August 2019.
